• D , 2014

The Ebola scare in West Africa robbed us of our two volunteers who indicated their intentions to visit us in 3rd Semester. Thus we did not receive any volunteers for the year 2014. In any case, it did not have any adverse effect on our Home kids. Thanks to our past volunteers, AMURT/Italy and AMURT/Portugal.

It is my special pleasure to announce the wonderful performance of our Neo-humanist School. The school chalked 100% success. All the 54 pupils presented passed. It is pertinent to state that AMURT/Portugal not only created sponsors for our Home kids, but also did some fundraisers for the development of the school. Part of the amount raised was used to motivate teachers to give extra classes to the final year pupils, culminating in the remarkable success of the school. It is our expectation that the New Year will indeed bring good tidings. Even though we have almost finished fixing in Master Unit, there are a few things to be done. We are yet to arrange good drinking water and plumbing installation.

Finally to say we are very happy to be in Ghana as yet there is no report of Ebola here. May the New Year bring Happiness and Prosperity to you, our valued friends!

Sincerely yours,

Dada Shivesh

A LETTER FROM MARTINS KASSIM

This is Martins, Headmaster of Neo-humanist School reaching you with great news all the way from Ghana. My Merry Christmas and Happy New Year to you all. I am glad to tell you history once again has repeated. Neo-humanist school presented 54 well prepared students in grade 9 to write the Final BECE Examination in June 2014. 4 months later, on the release of the results, all the 54 students passed remarkably; thus giving the school a record score of 100 percent. I am proud to say this is the greatest achievement ever recorded in our history. The best grade is 20 and last grade 27 which is above average; ICT, Science, Math, English and Social Studies being the best 5 subjects obtained. I wish you good luck and happy stay.

Change of volunteer coordinator for Ejura project

Since 2009 our volunteer Caroline has been helping Ejura project as volunteer coordinator. Now she has got a very busy job, frequently is to travel to different countries, decides to handover her responsibility to Savitha. Below is her goodbye letter.

Dear volunteers and friends,

As the year of 2014 is coming to an end, I have decided to leave my place as the Volunteer Coordinator for the Namaskar Primary School project to someone else as I take on new challenges in my career and personal life.

It has been more than a pleasure to coordinate the volunteers coming to Ejura since February 2009 and working with Dada. Six years that allowed me to see the boys becoming men while getting to know new ones, meeting motivated volunteers, learn from Dada's wisdom, see the school grow so much and witness the construction of the Master Unit, and the entire Ejura village, little at a time. I've had the chance to visit Ejura 4 times since 2007 and each visit has just been wonderful and full of great memories and life experiences.

While I leave you all in very good hands with Savitha, one of our great past volunteers, I wish to thank all of you for your help and support. I especially want to thank Dada, the teachers and the Namaskar boys for sharing these special moments with me and letting me

be a part of this.

Please feel free to keep in touch, my personal email address is caroline_montpetit@hotmail.com. Kindly note that you can communicate with Savitha at our regular email address: namaskar@kidsworldwide.org

Me da se paa.

I wish you all the best,

Caro

Kwaku and Akwasi when first joined our Home

now how they are

A Letter of Introduction from Savitha

Hello and Namaskar to each of you!
My name is Savitha Wulff and I come from India. I am an HR professional by career and currently live in Duesseldorf, Germany. After 14 years of working in the corporate world I had decided then to see the other side of the world and started traveling for two years across the world. Ghana happened to me then in 2012.

Something in life a path is paved for you and being at the Namaskar home and the school in 2012 was one such journey that paved itself for me. I came here as a volunteer and remember it was a rainy day and Dada and Mahadev had come to pick me up. The next morning I woke up to the chants of "Baba nama Kevalam" and saw that the children did yoga as well. It was a beautiful blend of education and holistic living. Three months of my tenure was filled with LOVE and only LOVE with the children of our home. That's the feeling I remember having in my heart as I came and left Ghana. When I went back to India I realized Ghana had grown so close to my heart. It's an honor for me to take the role of the volunteer coordinator and I hope I can do as well as Caro did for this institution. I definitely am humbled in the trust bestowed for choosing me for this role and am looking forward to learning and being part of your journey. Thank you for welcoming us in your beautiful world".

Caro coming to Ghana on her next assignment by her employer

Thank You Dada and the Boys who so kindly did up cards for me....It touches me.....almost to tears.

I regret I did not even find the time to send you an email..wishing YOU & Boys a Merry Christmas. forgive me.

Since last July 2014..I have been going absolutely crazy with Fundraisers for FACE.

Only 1 event was my idea..but so many other young eager and caring people came up with brilliant ideas..and in the end we landed up having 3 separate Fundraisers. It has certainly reaped many new sponsors, as well as miscellaneous donations.... I am so very grateful with the results...but oh, what long hard work. Now my Niece, Moira, who will be arriving with me in Ejura on Jan 27th..is having HER OWN Fundraiser on Jan 9th...just 15 days before we leave for Ghana....Oh what pressure....BUT I will NOT stop any hopes for Ejura.

So at this date, I can wish YOU Dada, and all the House Boys..a Very Happy New Year of 2015. May there be Bright Days and Good Health ahead for you all, in 2015.

Please thank each boy who did a card for me...I was so very touched. I was shocked to see a card from a Peter..is that OUR Dear Peter..??? is he back with you?? How is his leg???

I will definitely email you again before our departure from Canada...my gosh, only 3 weeks from now..

Best wishes from Suzanne

Suzanne with Namaskar Home kids

Master Unit Project

Master Unit (MU) building is mostly done. But two very important things are yet to be arranged before we can go there to live or open a school. They are plumbing work and arrangement of good water. In their budget, Ghanaman CRG Trust Fund mentions about lavatory wash basin, towel rail, toilet rail, sanitary WC suit and shower tray with overhead shower fittings but does not mention of a septic tank. Now the balance left over is GHC 1,255.71 plus GHC 800.00 (recently received from volunteer Juanma) that is total GHC 2,055.71. With this amount above things can be installed except the septic tank. We have prepared a budget for it which is very expensive. We are expecting some help from Antola Foundation for this purpose. For water we have quotation from drilling company and are in search of fund.

UP TO DATE ACCOUNT of MASTER UNIT CONSTRUCTION

Donors	Amount of receipt	Type of expenses	Amount spent
Grant from NGO	GHC 13,808.00	Flooring & Plastering	GHC 10,635.00
Ananda Marga, Accra	GHC 3,600.00	Ceiling fixing works	GHC 5,418.50
Ananda Marga, Ejura	GHC 340.00	Power connection	GHC 8,510.00
Ananda Marga, Tamale	GHC 3,000.00	Electrical installation in building	GHC 1,379.20
Dada Pramananda	GHC 900.00	-----	
AMURT/Italy	GHC 8,410.41	Door & Window fixing	GHC 3,631.00
Volunteer Juanma	GHC 1,670.00	Painting & Decoration	GHC 1,503.00
Dada Daneshananda	GHC 600.00	-----	
Empty cement bags sale	GHC 4.00	-----	
Total Receipt	GHC 32,332.41	Total Expenses	GHC 31,076.70

Balance remaining: (32,332.41- 31,076.70) = GHC 1,255.71

Recently volunteer Juanma sent on Dec 24 = GHC 800.00

Balance at present = GHC 2,055.71

Budget for a Septic Tank of WC Toilets

Size: 12'feet length X 6' wide X9' depth

Items needed	Quantity	Unit price	Total
Digging expenses of pit			GHC 1,500.00
6" thick Concrete blocks for walls of the pit	200 pieces	GHC 3.00	GHC 600.00
